SCAG Mission Statement

Leadership, vision and progress, which promote economic growth, personal well-being, and livable communities for all Southern Californians.

The Association will accomplish this Mission by:

Developing long-range regional plans and strategies that provide for efficient movement of people, goods and information; enhance economic growth and international trade; and improve the environment and quality of life.

Providing quality information services and analysis for the region.

Using an inclusive decision-making process that resolves conflicts and encourages trust.

Creating an educational and work environment that cultivates creativity, initiative, and opportunity both within the agency and the region.
